

## **Become a Hope After Loss Sponsor for fiscal year 2019-2020!**

When we answer the phone at the Hope After Loss office and hear silence, we know not to hang up as it sometimes takes a little time for the person on the other end of the line to get the words out. “My baby has died and I need help,” is probably one of the hardest things anyone ever has to say in their entire life. We know this because we have been there ourselves.

*Thanks to our sponsors we are here to answer those calls and bring hope to the broken parent, grandparent or friend on the other end of the line.*

Grief comes in many different forms, but the grief shared by members of our pregnancy and infant loss community is unique. These families are not just mourning the loss of their loved child, they are mourning the loss of memories of their child and the loss of a future with their child. In addition, they could be suffering from loneliness and alienation as others in their lives avoid them because they don't know what to say or do.

For the past 21 years, Hope After Loss has been making a difference in the lives of those affected by this type of loss through peer-to-peer support, outreach and education, and financial support for burials and cremation.

With ten support groups in seven locations each month across the State of Connecticut, our goal is to be there for anyone who needs us. With your help, next year we plan to add more groups in more locations, in addition to revamping our outreach and education programs.

By becoming a Hope After Loss sponsor, you can help us set up more support groups, train more facilitators, work with more caregivers and help families say good-bye to their babies through financial assistance. Together, we can do more.

***Learn more about our two signature events - the Footprints on our Hearts Remembrance Walk/5K and the Compassionate Care Awards. You can choose to sponsor either event or become an ANNUAL Sponsor and sponsor both!***
