BECOME A HOPE AFTER LOSS SPONSOR FOR 2025

At Hope After Loss when we answer the phone and hear silence, we know not to hang up as it often takes time for the person on the other end of the line to say, "My baby has died and I need help." This is one of the hardest things anyone has to say in their entire life and we know this because we have been there ourselves.

Thanks to our sponsors we are here to answer those calls and bring hope to the broken parent or loved one on the other line.

Although grief comes in many forms, grief shared by members of our pregnancy and infant loss community is unique. These families are not just mourning the death of their loved child, they are mourning the memories and future with their child along with societal isolation and alienation affiliated with this type of loss.

For the past 24 years, Hope After Loss has been making a difference in the lives of those affected by pregnancy and or/ infant loss through peer-to-peer support, outreach and education programming, and financial assistance for burial and cremation.

Through our six nationwide support groups and online community, our goal is to be there for anyone who needs us. With your help, you can assist Hope After Loss in increasing our network of support opportunities through new initiatives such as Funeral Home Perinatal Bereavement Training, Perinatal Death Training scholarships for caregivers, Remembrance Events, and even in the creation of our children's book, Flowers for Hope.

Together, we can do more.

Thank you to our 2024-2025 Annual Sponsors
